

SCHOOL VOLUNTEERS
Important Notice!!

A new Diocesan Policy, effective July 1 of this year, requires all volunteers who come in contact with students to register online with VIRTUS and then complete the following requirements through the VIRTUS platform:

- Register with selection.com
- Electronically sign the “Expectations for All those who Minister to Youth” form
- Complete the online course “Protecting God’s Children”

There is a \$25.00 fee to register with selection.com. The volunteer is responsible for paying this fee.

We understand \$25.00 is an additional financial burden, especially for someone willing to donate their time at the school. It is, however, an important safeguard for our students and unfortunately a necessity in the world we live.

This process must be completed every five years. So for \$5.00 a year we can improve the oversight we have of the people who volunteer to work with our children.

Please see Octavia Wayton, our compliance officer, to complete this process. She is located in our business office at (419) 472-2288.

It is important to note that no one can volunteer in the school for any activity (for example, field trips, classroom parties, and retreat helpers) until they have completed these requirements. If you have volunteered in other capacities such as Scouts, coaching, etc., you may already be in compliance. Please consult Mrs. Wayton to check your status.

Blessings,

Beth Strbik,
Principal
NCCS Most Blessed Sacrament Campus
