Chapel Notes

Dear Parents, as we continue through this school year, our Wednesday morning chapel sessions have become a special time for our TLA students to come together, worship, and grow spiritually. To enhance these moments, we kindly request that families consider sending a small chapel offering with their children on Wednesday mornings. These contributions will benefit Lutheran Hour Ministries (LHM), helping support their mission and initiatives. For more information about their work, please visit www.lhm.org. Every contribution, regardless of size, is greatly appreciated and will make a positive impact. If you have any questions or need further information, please feel free to contact our office. Thank you for your continued support and generosity.

We are excited to share that you can now watch our live Chapel sessions on YouTube every Wednesday at 10:00 AM! If you're unable to join us live, don't worry—you can also view the recorded sessions at your convenience. Join us at [TLCathens YouTube Channel](#) to be part of our worship and faith journey.

GIVING THANKS

1 Thessalonians 5:16-18

"Always be joyful. Never stop praying. Be thankful in all circumstances, for this is God's will for you who belong to Christ Jesus."

We are grateful for God's guidance, strength, and grace that have carried us through this journey. We thank Him for each member of our wonderful staff, whose dedication and love shape the hearts and minds of our students. We also rejoice in the precious children He has entrusted to our care, both those who have been with us and the new students who have joined our school family. With hearts full of gratitude, we pray for God's wisdom and favor upon TLA. May He continue to bless and guide our academy as we grow in faith, love, and excellence.

*Train up a child in the way he should go
and even when he is old, he will not depart
from it.*

Our purpose is to nurture children's spiritual, physical, social, emotional, and cognitive growth through a planned sequence of age appropriate learning, faith building, play and interactive activities. It is well established that children learn best through active learning and play, especially at an early age. The church and school strive to reach out to families through worship, education, witness, service and fellowship.

Our Academy's programs have specific objectives that are related to our church and are designed for your child. The objectives are:

To understand themselves and their world
To work as an individual and with a group
To improve attitudes and habits of thinking
