

BUSINESS BLESSING & EXPO

Resurrection Sunday/Super Seed Sunday is March 31st during our 9am service. This is the Sunday that we are giving our supernatural seed, expecting a supernatural return. Last year, the Lord laid it upon our Pastor's heart to have business owners sow a resurrection seed from their businesses in addition to their \$1500 partner seed. In a matter of days, we received testimonies of business owners seeing new clients, acquiring property, and ultimately reaching their first Million Dollar income goal. This is the result of the Godly principle of sowing and reaping (Luke 6:38). We believe God will honor His principle this Resurrection Seed Sunday with Supernatural Results. You are encouraged to give from your business whatever the Lord laid on your heart. Below are sowing levels for your consideration.
