Did You Attend Last Year?

NYSSEA Legislative Day 2018

Meeting Information:

Monday evening we will be holding an orientation meeting in the one of our hotel suites. Here you will be able to pick up your personalized itineraries, meet your group members and learn about the agenda topics you will be discussing with your elected representatives and their staff members. If you attended last year, you will be able to learn about changes to last year's agenda topics, train new attendees and share with them your experience from last year.

Tuesday morning, as we did last year, we will meet for breakfast at 7:00am and review the previous orientation session. For those who will be coming in that morning, you will pick up your meeting schedules and meet the members of your group. Meetings in the Legislative Office Building (LOB) and Capitol (CAP), start at 9:00am and run throughout the day. At the end of the day we will be meeting in one of our hotel suites to review the day's meetings.

At this point, the GR Committee has not yet finalized this year's agenda. As things progress we will be providing more information about the specific items NYSSEA wants to address with the legislators. The legislators will be addressing the changes to the Federal tax code and how NYS should respond. These meetings allow you the opportunity to be recognized as one of America's Tax Experts by your legislators and a resource to them and their staff.

Remember the sooner you register for this event the sooner we can set up meetings with your legislators. Their time is limited and their schedules fill up fast so the earlier we can request a meeting the more likely we can get on their schedule. Trying to set up a meeting at the last minute is almost impossible, so register today!
