Two Great Events Coming Up at the Chamber

Mon Valley Regional Chamber is very proud to announce the 2023 Legends of Commerce Annual Golf Tournament Honoree, the **Davies Family**.

The Davies family has been a part of the Mon Valley community having a successful business for over 50 years. Not only has the Davies family been a vital part of the success of the Mon Valley Region and business community by making their home for Davies Ford right here in Charleroi, they also have been an integral part of supporting our chamber for many decades.

The Davies family represents a commitment to the community and has employed many residents of the Mon Valley over those 50+ years. They also help to advance the mission of our chamber and give back to the Mid Mon Valley community at large.

We hope you can join us to celebrate this Legendary Family on June 15, 2023, at Nemacolin Country Club during our annual golf outing and awards event. See inside for more information.

The Mon Valley Regional Chamber of Commerce and the Charleroi Community Park Trustees will host a Roast and Toast of **Mark Alterici**, local business owner and community leader. The event will take place on Saturday, April 29, 2023, from 6-9pm at Dee's Event Center in Charleroi and will serve as a fund raiser for both organizations.

Alterici has a long history of public service, including a 24 year stint on Charleroi Borough Council, and Mayor for one year. Mark has served on the board of the Charleroi Community Park Trustees for 28 years, and has chaired the organization for the last 12 years. In addition, he held positions on numerous Boards over the years as both a member and in leadership positions. Among the organizations served are the Greater Charleroi Community Development Corporation, the Knights of Columbus, the Charleroi and Mon Valley Regional Chambers, the Tri-County Boroughs Association, The Little Great Race Committee, and so many more. He is very active in his church parish and can be seen cooking for every church event, currently the Lenten fish fry. In addition, he is the owner of five Cricket Wireless Stores, located throughout Washington and Greene County

Leanna Spada, Executive Director of the Mon Valley Regional Chamber, said the evening will be filled with laughter as Mark allows himself to be the target of some good-natured ribbing to raise money for a good cause. Deb Keefer, former MVRCC director and Trustees Park administrator added "we will not only roast him but also toast his remarkable journey and his extreme community service."
