HELLO!

loved ones are staying
safe and healthy!

IN CASE OF EMERGENCY -

The first thing to do in an emergency is to keep yourself safe. Make sure you will not be in danger if you go up to the person. Then, get help if the person needs it. Tell adults nearby about the emergency. If there are no adults around, find a phone and call for help.

activity

Find out a way to stay calm during an emergency. Cross out the animal names below, then the colors. Write the leftover words on the blank lines.

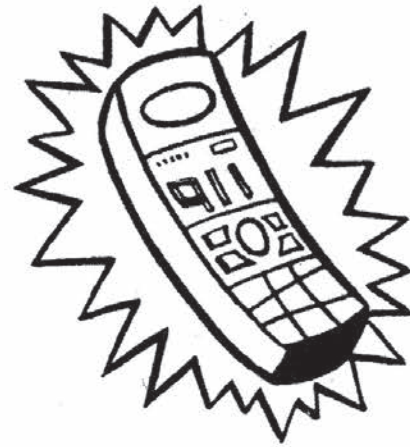

HORSE BLUE TAKE RED DOG A PINK COW DEEP GREEN LION
BREATH YELLOW MONKEY

CALL FOR HELP -

9-1-1 is the number to call for help. Press 9, then 1, then 1 again on the phone. A person called a dispatcher will answer.

Share the following information with the dispatcher:

- Your name
- What the emergency is
- Where the emergency is
- The phone number where you are calling from

Speak clearly and loudly to the dispatcher. Answer any questions the dispatcher asks you as best you can. Follow any directions the dispatcher gives you.

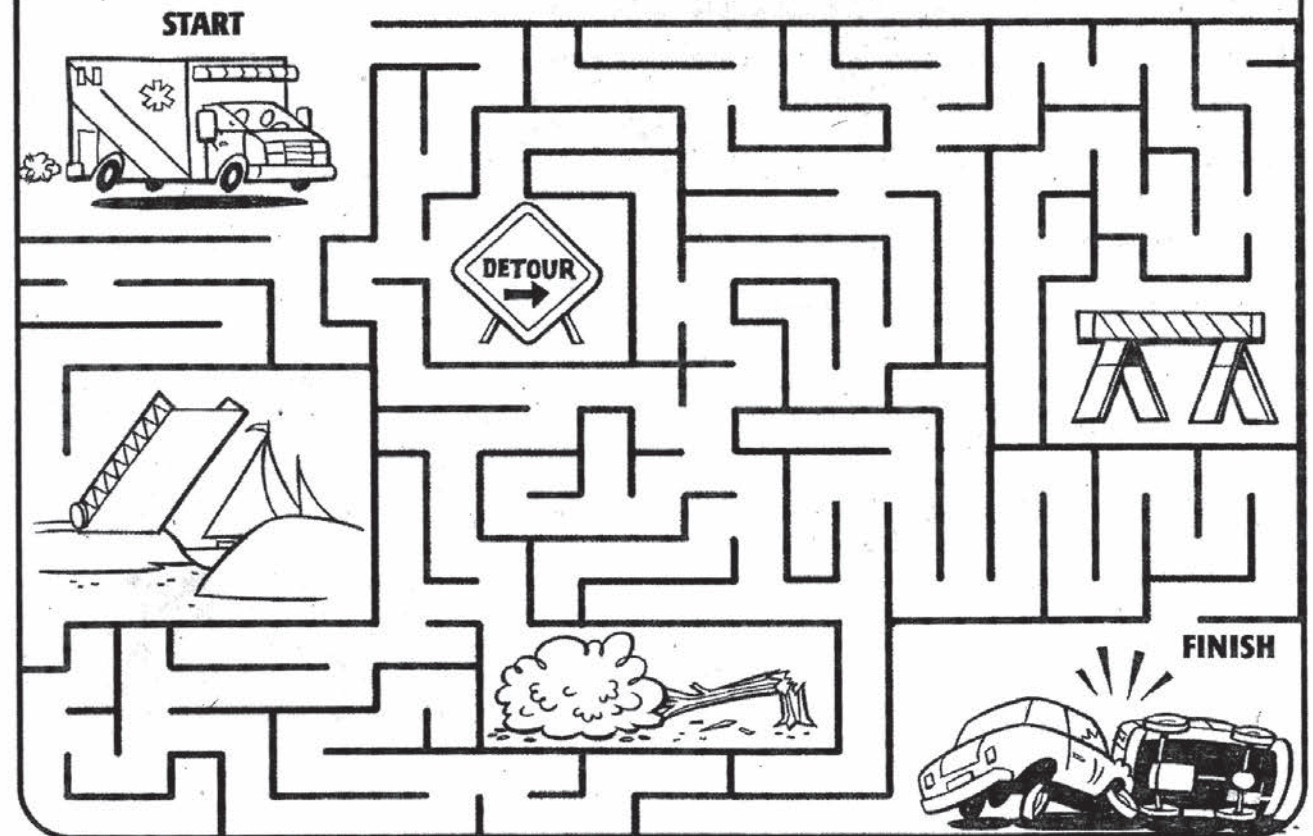

Do NOT hang up the phone until the dispatcher says that it is OK to.

Is anybody else there with you?

activity

The dispatcher will send an ambulance, a fire truck, or the police to handle the emergency. Find this ambulance's path to the emergency.

COOL SAFETY RULE

ALWAYS CHECK FIRST

Always check first with your parents, guardians or the adult in charge before you go anywhere with anyone.

Make sure the adult in charge knows:

- where you are staying - who you are with - when you will be back

ACTIVITY

Learn another safety rule. Unscramble the mixed-up words. Use the Word Box for help if you need it.

Always _____ with a _____. Don't go places _____.
klaw dubdy anole

WORD BOX alone • buddy • walk

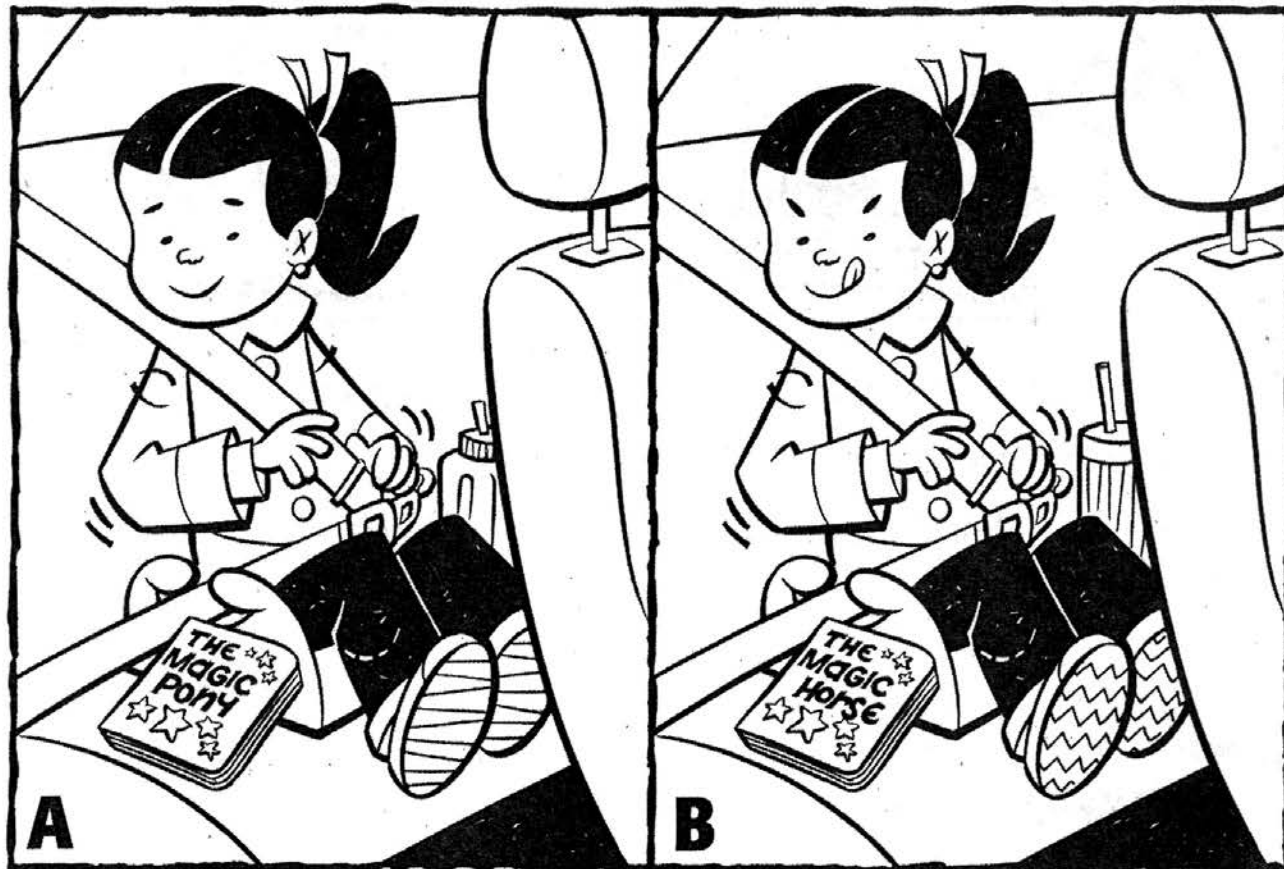

COOL SAFETY RULE **2**

RIDE THE RIGHT WAY!

Riding in a car can be unsafe, especially for kids. Always ride in the back seat, with your seat belt buckled - and do NOT distract the driver.

ACTIVITY

Find and circle 5 things in picture B that are different from picture A.

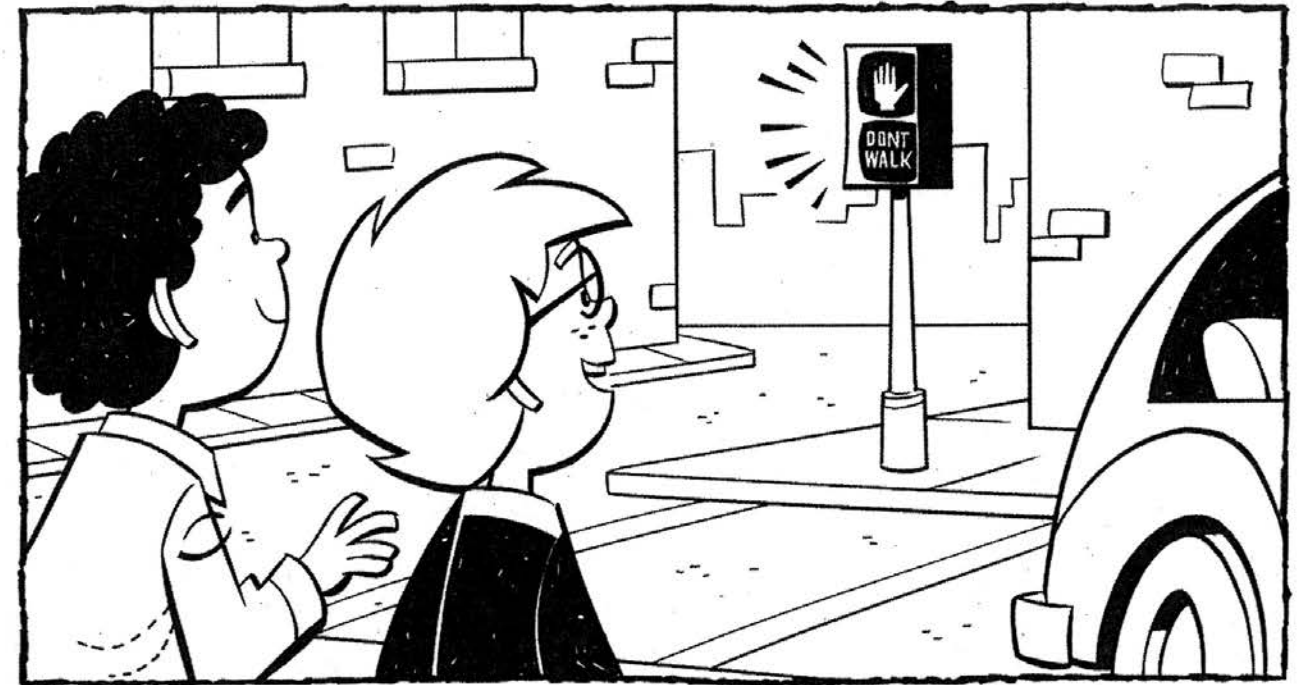

COOL SAFETY RULE **3**

BE SAFE ON THE STREET!

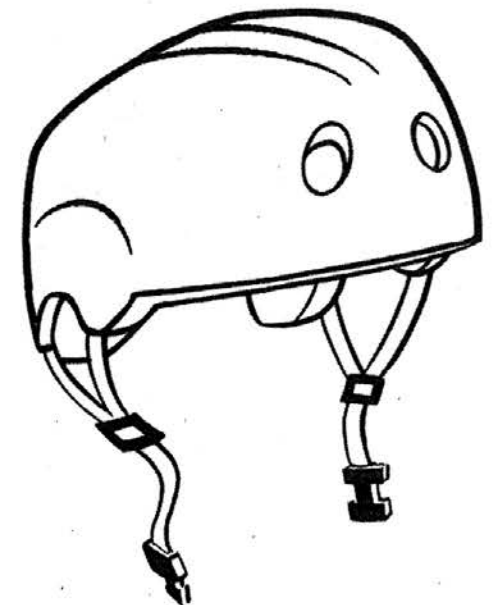

Always pay attention when you are walking around. It is never cool to get run over by a car.

Cross streets only at crosswalks. Wait for the "WALK" light at the corners, where there is one. And always look left, then right, then left again before crossing the street.

ACTIVITY

Always wear a helmet when you ride a bicycle. Color this one with your own design.

COOL SAFETY RULE **4**

RESPECT FIRE!

Fire should never be played with. It spreads fast, puts people in danger and destroys property.

Never play with matches, lighters, or candles. Tell an adult right away if you see anyone playing with fire. If there is a fire - get out. FAST. DO NOT STOP.

ACTIVITY

Cross out every letter D to discover an important message to remember. Write the leftover letters in order on the lines below.
