

CalHFA Accessory Dwelling Unit Grant Program

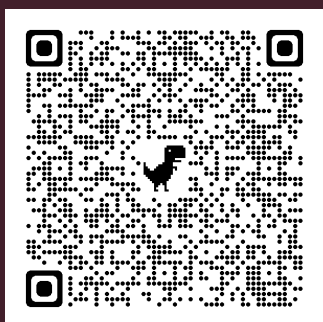

Information Session

**September 29th
6PM – 7PM**

Did you know? A grant of up to **\$40,000** is available for California homeowners (with a yearly income of **less than \$300,000 in Santa Clara County**) to fund the construction of an **Accessory Dwelling Unit (ADU)** on their property.

Join us for an **informational panel** about the **ADU Grant Program** available from **CalHFA**! Find out who qualifies and what the grant covers, and get your questions answered by a CalHFA representative and loan officers from **Guild Mortgage**, a qualified lender for the program.

This program will be held **online** via **Zoom**, hosted by the **Cities of Morgan Hill and Gilroy**.
