

Building Safety Month is an international campaign celebrated in May to raise awareness about building safety.

Event Week	Description / Activities
 Week 1 The Warm Up (May 1–3)	Discover Building Safety's Impact: Learn how building safety affects our daily lives, including the spaces where we work, learn, and play. Engage with our vibrant posters and flyers, and connect through our social media outreach to raise community awareness.
 Week 2 Build Your Offense (May 4–10)	Support Building Safety Programs: Join us to promote building safety initiatives in our community! Join us at Lowe's on May 5 , Home Depot on May 6 , and ACE Hardware on May 7 from 10:00 AM to 12:00 PM for face-to-face outreach. Learn from our local building division inspectors how modern building codes enhance community safety by preventing structural collapses, fires, and mitigating flood damage.
 Week 3 Build Your Defense (May 11–17)	Prepare for Natural Hazards: Equip yourself for emergencies such as severe weather, wildfires, and earthquakes by creating your own disaster preparation toolkits. Follow us on social media for valuable information and resources. Join us in person on May 13 from 12:00 PM to 1:30 PM at City Council Chambers for our Developers Roundtable. We'll discuss the 2025 California Building Standards Codes adoption, the City's Affordable Housing study, General Plan goals, Housing Element, and the upcoming Zoning Ordinance. Lunch will be provided.
 Week 4 The Starting Lineup (May 18–24)	Explore Career Opportunities: Meet building safety professionals and discover rewarding careers in the field! Join us in person at Lowe's on May 20 and Home Depot on May 22 from 10:00 AM to 12:00 PM as we promote exciting career paths in building safety.
 Week 5 Going Into Overtime (May 25–31)	Stay Ahead of the Trends: Discover the future of the building safety industry, including global trends and artificial intelligence. Stay informed with our insights through our social media channels!

GAME ON!

Get in the game and celebrate building safety!
