

Valley Water

Spring 2026 Webinar Series

You're invited to join Valley Water and learn how to conserve water in your landscape! This complimentary webinar series will be live translated to Spanish, Mandarin, and Vietnamese.

Find and Fix Outdoor Leaks

Date: **Thursday, March 26, 2026**

Time: **6:00 PM - 7:30 PM**

Tackle water waste in your landscape by learning how to find and fix the sources of common leaks.

Love it or Lose it: Rethinking your Lawn

Date: **Thursday, May 28, 2026**

Time: **6:00 PM - 7:30 PM**

Learn how to remove and replace your water-thirsty lawn or sustainably maintain any grass you want to keep.

Garden Design Workshop

Date: **Thursday, April 23, 2026**

Time: **6:00 PM - 7:30 PM**

Learn the step-by-step process for creating a successful water efficient garden design!

Permeable Everywhere

Date: **Thursday, June 25, 2026**

Time: **6:00 PM - 7:30 PM**

Make the most of rainwater! Learn how to design permeable garden surfaces using plants and hardscape to capture, slow, and soak in rainfall.
