

## Invite your friends and family to Epiphany's Outdoor Worship EACH SUNDAY!

Every Sunday at 9:00 AM, you will see a lot of activity in our parking lot! We will have a sound system set up with a table that will enable us to sing (with keyboard and guitars), pray, read scripture, proclaim the Word of God, and share in Holy Communion.

**Cars will be directed to park** - If you bring your lawn chair, you will be directed to park at the very back and walk up to set your chair in the shade or in the area left open in the front. If you prefer to sit in your car (or sit in your chair just outside your car) you will be directed to parking spaces in the middle area of the parking lot facing the front. There are limited parking spaces available in the shade.

**Parking Lot Attendants and Basket Helpers** - We will have members to direct you and pass out bulletins and communion kits. Bathrooms will be available by accessing through the outside door to the Education building hallway. We have asked our volunteers to wear masks and sanitize their hands as they approach worshipers in their cars and lawn chairs. IF YOU CAN HELP CONTACT: Rick Krenzer (Parking Lot Attendants) and Page Putnam (Basket Case People)

**Sunglasses are recommended** - The temperatures are warming up (80 degrees 9-10am). However, the sun will be just rising up over the trees and church building to shine into worshipers faces. There may be a chance of rain. We will not likely cancel the service based on a forecast, unless there is a high probability of a thunderstorm or rain. A special message will be sent out and posted on the church website if it is necessary to move the service indoors for our worship leadership team to record on-line.

YOUR SAFETY IS A PRIORITY! WE ENCOURAGE PEOPLE TO WEAR MASKS AS THEY APPROACH EACH OTHER AND TO KEEP A SOCIAL DISTANCE OF 6-10 FEET.
