

Parents Supporting Parents: You Are Not ALONE

Helping Teens Make Safe & Healthy Choices

EHS PTSA “*Parent Pledge*” Program

In conjunction with The National PTA Alcohol and Drug Free Resolution and the Washington State PTA, The EHS PTSA is introducing the Parent Pledge Program to achieve the following goals:

- To build a communication network to reduce the use of alcohol and other drugs among teens in our school and community.
- To host only Alcohol-Free, Tobacco-Free and Drug-Free parties for teens.
- To not allow teens to possess or consume alcohol, tobacco or other drugs at their homes; and
- To discourage their teens from attending unsupervised parties.

By signing this Parent Pledge, you are letting other EHS PTSA families know that you intend to supervise your child's social gatherings in your home to ensure that they are alcohol, tobacco and drug free. It also indicates that you may be contacted by other parents about parties and get-togethers. This pledge sends a clear message that as a parent/guardian, and as a community we believe underage drinking tobacco and drug use is unacceptable. ***Please note that if a family is not listed in the directory, it does not necessarily mean they do not support the pledge. Only PTSA Members will appear in the directory.***

EHS PTSA *Parent Pledge*

By signing this Parent Pledge, I as a parent/guardian will make every effort to uphold the following:

- ▶ I/We will actively supervise all gatherings or parties of youth in our home or on our property, or ask another responsible adult for help to do so.
- ▶ I/We will not allow the possession or use of alcohol, marijuana, tobacco or other drugs, or violence by youth in our home or on our property.
- ▶ I/We will set expectations for my/our child(ren) that I/we know where they are going, whom they are with, what their plans are, and when they are to return home.
- ▶ I/We will encourage open dialogue with my/our child (ren) regarding drugs and alcohol.

This pledge is NOT a legally binding contract, but rather an agreement between the parents who sign it to support one another and their children to maintain a safe and happy environment for education, growth and fun.

Please sign below and indicate if you wish to be designated as a member of the Parent Pledge Program in the PTSA online directory. (You must be a member of PTSA to access the directory.) Double check your contact information currently listed in the PTSA directory. If it needs to be updated please contact the school.
