FOR IMMEDIATE RELEASE

Top Dive Brands Unite in the World's Largest SCUBA Travel Auction
January 29 – February 19, 2026

Oxnard, California — January 15, 2026 — Sea Save Foundation announces the launch of its 2026 Online SCUBA Travel Auction, opening January 29 and inviting divers and ocean lovers worldwide to bid on extraordinary underwater adventures—while directly supporting global ocean protection.

This online-only auction features 61 coveted SCUBA travel packages, including luxury liveaboards, eco-resorts, and all-inclusive dive experiences generously donated by the most respected brands in the dive industry. From iconic bucket-list destinations to rarely accessed underwater gems, this is one of the largest SCUBA travel auctions in the world—and every lot fuels real conservation impact.

Bidding opens January 29 and closes February 19, 2026. One hundred percent of proceeds support Sea Save Foundation's international ocean advocacy, education, and conservation initiatives.

"This isn't just about travel—it's about purpose," says Georgienne Bradley, Founder and Director of Sea Save Foundation. "Divers are uniquely connected to the ocean. Every bid helps ensure the ocean has a voice where global decisions are being made."
