

Beneath the Sea
47th Anniversary Exposition

Beneath the Sea celebrates its 47th anniversary show the weekend of March 28 and 29 at the Meadowlands Exposition Center in Secaucus, New Jersey.

This year at Beneath the Sea, we will call your attention to the enjoyable adventure experiences offered at dive resorts -- ballooning, climbing, kayaking, touring, rafting, cycling, and the like.

Our seminars will range from the tropics of Papua New Guinea to the ice and snow wildlife and diving at both poles; Richie Kohler, Prince of Deep Diving, and his team take us on a tour through artifacts brought up from the H.M.H.S Britannica, sister ship of the Titanic, and Bernie Chowdhury takes us inside his thirty years of Icelandic cave diving exploration. These, and others, give a stature to the seminars during the Beneath the Sea weekend.

It is with great pleasure and no little excitement that Beneath the Sea announces the return of Scubapro to its ranks of exhibitors. Everyone has missed Scubapro in the past years as they explored other avenues of business interest. Scubapro has always been one of the sea anchors of our industry, and they have truly been missed. Therefore, we are proud and pleased to welcome them back to their anchor spot at Beneath the Sea.

Part of the fun of being at Beneath the Sea this year will be our pool of mermaids. Come see it. Perhaps, should you play your cards right, you can be in it.

There is still time for you to be a part of the excitement, adventure, professionalism, and just plain fun at Beneath the Sea's 47th anniversary exposition, March 28 & 29 at the Meadowlands Exposition Center, Secaucus, New Jersey.
