The Oceans of our World

Beneath the Sea's 47th Scuba Diving, Travel, and Adventure Expo Gathers momentum and trajectory now with the approach of DEMA ...

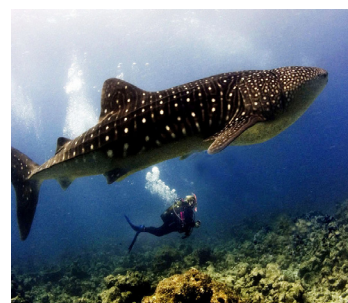

Our lights burn longer, and the clack of computer keys and ringing of phones fills the day. The excitement of another DEMA show is palatable.

Join us at booth 1027 and add thrust and meaning to our own planning for the DEMA show. Such enthusiasm always gives Beneath the Sea the exhilaration of new ideas, new friends, while reconnecting with old ones, and being swept up in the swirling animation of the dive community who share the same exhilaration and enthusiasm for diving and adventure.

Our 47th anniversary show promises to be a dynamic turn at Beneath the Sea, by including highlights of adventure along the pathways to scuba diving. Beneath the Sea is always going to be about scuba diving. We also know that divers enjoy adventure and frequently do an add-on to their dive trip. It is that idea to which we are responding.

Please stop by our booth at DEMA (#1027) and catch the fever and zeal for yourself. Talk to my fellow enthusiasts, you will want to join your enthusiasm with ours.

We'll be watching for you at DEMA ... stop and check-out our DEMA specials.
