

BENEATH THE SEA

A non-Profit, our Mission is Education, our subject:
The Oceans of our World

Beneath the Sea's 47th Anniversary

Scuba Diving, Travel, and Adventure Exposition

March 27, 28, 29, 2026

This year, BENEATH THE SEA will field over 200 exhibitors from all corners of the world, host 50-plus seminars and workshops presented by specialists and experts in their field, and leaders from every segment of the dive industry to entertain, inform, and excite the experienced diver, new diver, and non-diver alike. The exhibitors representing the training agencies for scuba diving, manufacturers of scuba equipment, and accessories come to BENEATH THE SEA so you may see, touch, and talk to experts about what is new in scuba diving products. For the Dive Traveler, BENEATH THE SEA is full of dive destinations, liveaboard dive boats, and resorts. If it is a technique you want to learn -- be it digital video editing, digital manipulation of your underwater imagery, or catching up on all that diving flash-and-dash on the Internet, BENEATH THE SEA is the place to do it. Do you want to find out how you can save a life, or discover the latest in mixed-gas diving? It doesn't matter what you want to learn to do, BENEATH THE SEA will have over 50 seminars & workshops explaining the latest from the fields of scuba diving, oceanography, wrecks, rescue, underwater photography, and the possibility of side trip adventures.

Friday is Marine Careers Day, when high school and college students from throughout the New York Metro Area meet with leaders from the dive industry to discover what it takes to achieve success and recognition in the exciting marine world. Friday is also the day when the Public Safety diving community meets for a series of updates and advances in technique and equipment. Dive Science Symposium, also a Friday event, presents techniques brought about by our increased knowledge.

BENEATH THE SEA is a great place to meet and socialize with other divers, talk to the experts, and find that special buddy you've been looking for on every dive boat from New Haven to Papua New Guinea. Saturday is the busiest day at BENEATH THE SEA. ... Still, there is time for the V.I.P. awards dinner with its presentation of the annual Divers of the Year awards.

And we're still making plans. Keep an eye on our website, Beneaththesea.us, and on our social media sites: Facebook, X, and Instagram.

Be a part of the present and the future of scuba diving, oceanography, and photography. Make yourself part of BENEATH THE SEA. For more information, call 1.914.664.4310, e-mail info@Beneaththesea.us, or visit our website:

Come visit us at DEMA Booth #1027 and become a part of our excitement.
