Koro Sun Resort Unveils "Aqua Magic" Dive Boat for Unparalleled Underwater Adventures

Savusavu, Fiji - June 25, 2024 - Koro Sun Resort, renowned for its spectacular diving experiences in Fiji, proudly introduces its latest addition to the fleet, the "Aqua Magic." This state-of-the-art 40-foot Aluminum dive boat is powered by twin 350 hp Yamaha outboard engines, combining power and efficiency to enhance the diving excursions offered by Dive Savusavu.

Designed for comfort and performance, Aqua Magic accommodates up to 20 divers, ensuring ample space and a smooth ride to the most coveted dive sites in Fiji. With a remarkable speed exceeding 40 knots, the boat swiftly navigates through the pristine waters of the Namena Marine Reserve and Rainbow Reef, offering access to these vibrant underwater ecosystems.

"At Koro Sun Resort, we are committed to providing our guests with exceptional diving experiences," said Rodney Simpson, Owner of Dive Savusavu based at Koro Sun Resort. "Aqua Magic represents our dedication to combining comfort, safety, and adventure, allowing divers to explore Fiji's finest marine treasures with ease."

The introduction of Aqua Magic enables Dive Savusavu to expand its offerings, including thrilling three-tank dive trips tailored for groups of 10 to 15 divers. This enhancement underscores Koro Sun Resort's commitment to catering to both novice and seasoned divers seeking unforgettable underwater encounters.
