

## ANGELEE SAVES THE SEA

“A Children’s Sea Adventure Picture Story”

**Angelee Saves the Sea** is 3-time award winning, educational sea adventure story that teaches kids about our oceans and how they can help to protect it through a wonderful, 40 page glossy 11 x 9 hardcover picture book illustrated with real underwater photographs by world renowned underwater photographer, Beverly Factor. The book includes a glossary at the end describing the fish seen on each page, and is printed on recycled paper and inks in the USA.

**Endorsed by Jean-Michel Cousteau, Ted Dason, Imax filmmaker Greg MacGillivray, Oceana, and Wyland**, there is nothing like this book on the market and it’s receiving rave reviews from its readers! **Angelee Saves the Sea** is an important, timely story.

The perfect Christmas gift for kids! Suggested retail is \$18.95 Wholesale pricing available.
