DIRECTOR'S GREETING

On behalf of the Members, Staff and Directors of the Dive Industry Association, I would like to welcome you to our January 2026 Trade Publication and Directory. In our 25-year history of *Building a Better Industry, One Member at a Time,* the Dive Industry Association has taken a leadership role in uniting the industry to a common purpose and working to grow the diving industry.

This Trade Publication and Directory is more than a listing of dive businesses in the industry. It is a cooperative effort of Dive Industry Professionals Worldwide who work tirelessly to promote and grow the industry to bring you the best diving programs, products and services available. Their collective support and dedication to the industry makes snorkeling and scuba diving one of the most exciting and accessible recreations in the world today.

The January 2026 Trade Publication and Directory is designed with the active Diver and Dive Business in mind. We have built this publication to help active Divers find quality diving equipment and accessories, professional dive training programs, and world-class diving at the finest dive destination worldwide. From a trade standpoint, this publication serves as Buyer's Guide for goods and services available to the retail and wholesale diving trade. It is our goal to expand this publication every year to make it the most complete and comprehensive guide of its kind.

We have made every attempt to keep this Trade Directory current and up to date as possible. The Directory will soon have its own website at www.diveindustrydirectory.com and will be updated throughout the year.

Thanks again for picking up a copy of The Dive Industry Publication & Trade Directory. We appreciate your commitment to the recreational diving industry.

Our Goals are to:

- Unite the Industry to a common purpose
- Promote Professional Business Development within our Membership
- Generate maximum marketing exposure and sales leads for our Members

Reasons to Join: There is no place in the industry where you get as much coverage for so little an investment. Annual dues are $125. Annual renewals, if paid by your annual renewal date are $100. The association promotes your business using blogs, websites, directories, social media, at trade and consumer shows and through direct referrals. Our networking capability is the envy of the International Diving community.
