AUG 2026 **SEP 2026**

- A dedicated manta-focused itinerary exploring **North & South Ari, Rasdhoo, Baa & Raa Atolls, and North Malé.**
- A well-balanced route through central and northern atolls, offering some of the best opportunities to spend extended time with manta rays in the Maldives.
- Designed to maximize encounters at manta **cleaning stations and feeding areas**, including Hanifaru in Baa and multiple hotspots across Ari and Raa, with a chance for **night dives with mantas.**
