

## Dive BVI, the 48-Year-Old Caribbean Icon For Sale

The British Virgin Islands is widely known as the Sailing Capital of the World, a diver's paradise and also a high-end destination for water enthusiasts of all sorts. The 48-year-old diving icon, Dive BVI Ltd., is headquartered on the island of Virgin Gorda where it first opened in 1975. Since its opening, Dive BVI has had only 2 owners since 1978 and is now offering an incredible, turn-key opportunity for a new owner and management team. This deeply rooted community business boasts 3 dive/day charter vessels, 2 retail locations, a full fleet of rental equipment and recent upgrades to compressors, steady online reservation/repeat guest/hotel established retail accounts and a new shop buildout ready for a new owner's vision to take hold.

The British Virgin Islands is proud to announce its crown jewel, Virgin Gorda has been chosen by the prestigious Forbes Magazine, as the destination that holds the eighth spot on the list of top destinations to visit in 2023. Virgin Gorda is the only Caribbean Island to make this prestigious list. In its article, "Here They Are: The 23 Best Places To Travel In 2023", Forbes described Virgin Gorda as "a destination of clear calm waters that offers first-class snorkeling". The island is a sought-after vacation spot for couples, families, snorkelers, and beach bums. Visitors are intrigued by The Baths with its huge boulders and pristine turquoise water. "The 23 Best Places to Travel In 2023" list is created based on recommendations by top travel advisors.
