

# BENEATH THE SEA

A non-Profit, our Mission is Education, our subject:  
The Oceans of our World

## **Beneath the Sea's 47<sup>th</sup> annual exposition is looking BIGGER, BETTER, BOLDER than even we first imagined**

Recently, some of our clients have informed us that they have been told Beneath the Sea will not be hosting an exposition this year. Should you get such a phone call, or hear such a rumor, that Beneath the Sea will not be in place for its 47th season, it's only our competition taking pot-shots at us.

For the past 46 years, Beneath the Sea has provided the local dive community with the best in diving education, the latest equipment, and intimate travel information from dive resorts around the world.

The weekend of March 27, 28, 29, 2025, we will present Beneath the Sea's 47TH weekend Expo of seminars, workshops, and dive resorts.

Adding to the fun, this year, join the adventure. Beneath the Sea will be adding additional adventures to our exposition. Adventures such as: Ballooning - Paragliding - Sailing - Speleology - Exotic Birding - Mountain Biking - Rock Climbing - Sky Diving - Burgee Jumping - to name a few

Yes, you will still find dive industry leaders presenting seminars, show & tell, and we will always present our Ocean Pals children's programs because Beneath the Sea's mission statement is all about education of the sea.

Similarly, our Marine Careers program will be returning, demonstrating new opportunities in the marine environment and marine education that will make those opportunities available for students..

For those of you lucky enough to get to DEMA in Orlando this year, stop by the Beneath the Sea booth #1027, say hello, and learn for yourself our plans for our 47th anniversary show

**Beneath the Sea  
March 27, 28, 29, 2026  
Meadowlands Expo Center  
Secaucus, New Jersey**
