

## **Adult Forum for the Sundays after Epiphany**

The light shines in the darkness, and the darkness did not overcome it. (John 1:5) Light is a prominent theme for Epiphany and the Sundays that follow it that serves as a metaphor for what God is doing in and through Jesus. Join Rev. Michael for a four-week study exploring the theme of light and how Christ's birth affects our faith long after Christmas celebrations end through scripture and song.

Classes will begin following our Sunday assembly at approximately 11:30a.m. No purchased materials are needed for the class, but participants are encouraged to bring their favorite bible.

Please message Rev. Michael at [pastor@princeofpeacebrookfield.org](mailto:pastor@princeofpeacebrookfield.org) to let him know to expect you.

**Session dates: February 9, 16**
