

2026-27 General Appropriations Act

Justice

REP. MANEY

- **JAC Due Process and Clerk of Court Reimbursements \$9.9 M GR (\$1.8 M NR)** – Provides funding to address increased costs for services such as court reporting, transcription, translation, and expert witnesses for the State Attorneys, Public Defenders, and Regional Conflict Counsels, as well as pass-through reimbursements for the Clerks of Court, including for cases where no statutory fee is currently collected.
- **Replacement of Motor Vehicles \$5.3 M NR (\$2.0 M GR, \$3.3 M TF)** – Provides nonrecurring funding to replace aging, high mileage, and inoperable mission-critical motor vehicles across multiple agencies.
- **Victim Notification Enhancements \$3.7 M GR** – Provides funding to further enhance the toll-free victim information and notification system.

REDUCTIONS

- Reduction of 120.0 total positions, a majority of which are long-term vacancies with no associated rate or budget, across all Justice agencies.
- Reduction of \$73.1 M (\$38.6 M GR, \$34.5 M TF) in excess funding and budget authority due to operational efficiencies, historical reversions, and declines in revenues and grant awards across several Justice agencies.
