

Edward Gallegos, BSN, RN-PCC

Operations Council Lead, Central Region

About:

Edward Gallegos serves as the Operations Council Lead, Central Region for the Tufts Medicine Integrated Network. Edward has more than 12 years of combined experience in healthcare change operations, finance and contracting. He is currently the Executive Director of Population Health & Contract Performance at Tufts Medical Center & Tufts Medical Center Physicians Organization.

Prior to joining Tufts Medical Center & Tufts Medical Center Physicians Organization in 2015 as the Director, Projects Administration, Edward held critical healthcare operations, regulatory, data science, and finance positions and consulting roles with Column Health, North Margin Advisors, and Triple Canopy Advisors, among others.

Edward is a registered nurse with a designation in primary care operations. Edward earned his Bachelor of Science degree in Nursing and RN in Primary Care Certificate from The Ohio State University.
