Business Roundtable:

Apprenticeship as a Workforce Solution

Wednesday, November 20 | 2:00pm–3:30pm
River Valley Community College
1 College Place, Claremont NH

Please join the ApprenticeshipNH program and River Valley Community College to learn how your company can partner with us and join dozens of other employers in the state that are using the tried and tested model of Registered Apprenticeship to hire and retain a skilled workforce. It is common knowledge that NH employers are struggling to hire and retain skilled employees; this partnership is something you don't want to miss!

The ApprenticeshipNH team will share information about how grant funding from the U.S. Department of Labor is being used to help connect businesses in healthcare, manufacturing, IT, hospitality, and construction with NH's community colleges. Examples of successful models across the state will be shared, and time will be provided for attendees to network and discuss workforce challenges.
