Volume 22 ~ Issue 5 Welcome Back

May 2021

Happy Mothers Day to all mothers!

AARP Property Tax Help Again this year

On May 21, AARP will provide Property tax help from 9 AM until 12 PM. Service will be on a first come first served basis in the Mozden Room. Please use the Mozden Room entrance. Bring your 2020 tax return and last property tax bill to the session.

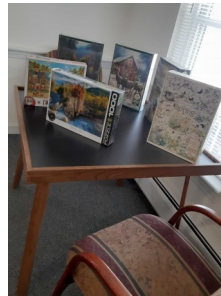

Summer Concerts will happen again

Summer Concerts will happen again! We have booked 2 bands for Saturday July 3 and Friday August 6. Concerts are scheduled for 6:30 til 8 PM.

Daffodils in the front garden.

Puzzles and a new puzzle table from Greater Sullivan Strong Grant.

A beautiful day at the center.
Opening Day April 27, 2021
We were very happy to see it!

COVID restrictions still in effect at the Senior Center Candidates needed for Board of Directors.

At this time, Board members have decided to continue restrictions according to the COVID guidelines. With many opinions about how the Center business should be conducted, the opportunity to help make the decisions is at hand. Normally, elections are scheduled in May, with candidates presented in April for members to review. The elections will be delayed until the Nominating Committee can present a list of candidates to the membership at the June business meeting. With the delay of the election, the new Board of Directors members will be elected at the July business meeting. A new deadline of May 15 has been established to get your name on the list .

Do you have what it takes? If you can help, submit a letter to the Nominating Committee. If you can give the center some of your time, we need your help. Contact the center for information on what is required to be a Board Director.

There is also an election for a Finance Committee member. Can you serve as a member of the Nominating committee, determining eligibility and conducting the election? Ask if you are interested.

No experience is necessary. Just an interest in helping the Center and a willingness to commit some time.

Christmas in New York City

We are looking at the possibility of a trip to NYC for Christmas. The trip would include the Radio City Spectacular Christmas show, and at least 2 overnights. We have several people who are interested, but we need more if we are to put the work into the trip. We need to know if it will be worthwhile to further pursue. If you have never been to NYC at Christmas, you have missed a great trip.

Call the center and leave a message, write a note and hand it in at lunch, or email us that you are interested.

Letter from the Chair:

I think spring has finally sprung. The daffodils in front and back of the Center are bright and, I hope, making us smile. Now for a little more sun and a little less wind!

We are now open Tuesdays and Thursdays and soon the Board will likely be adding a couple more days to be open. Please note that until the Board rescinds the mask mandate, masks ARE required when in the Center. Please note that New Hampshire has not yet reached herd immunity. We are getting closer but not there yet.

Also, the generator has passed the city inspection as soon as a minor detail is taken care of. Finally!

While we have been home and protecting ourselves, the scammers have been even busier trying to con us. According to reports, they have been very successful. In New Hampshire alone, according to NH Union Leader, 4-26, the most recent scam has scammed nearly \$90,000 from NH residents by pretending to be from the FBI or another government agency. Government agencies DO NOT call for money. If you have been contacted by someone saying they are from the FBI, you can get confirmation. Members of the public seeking to confirm that they have been contacted by an FBI employee can call the FBI Boston division at 1-857-386-2000 and ask to be connected directly.

Have you been receiving emails that look suspicious? Before opening, check the sender's email address. If it has an email address ending in gmail, yahoo, etc, and is not from the agency or company it claims to represent, it is a scam. Delete it immediately. This is also a good way to prevent a virus from being attached to your computer.

The Board hopes everyone is getting their vaccines. It was so exciting to hear voices and laughter, and to see members participating in activities this past week. We want to see you here.

Stay Safe. Think Spring!

Denise Liveston, Board Chair

*If you have changed your mailing address, email, phone number or contact information within the last year, PLEASE let us know. We have had a number of emails and post cards returned.
