

## Walk in Love - A Reflection from Our Senior Warden

Beloved of St. David's,

We're now at the halfway point of our annual giving campaign. We've explored the theme of "walk in love" through sermons, heartfelt witness talks, music, and forums.

There are so many things about St. David's that I love, but most of all, it is the community of people with whom I am walking together in love to try and become a better disciple of Christ.

My interactions with you all on Sunday mornings, Wednesday evenings, at Compline, and elsewhere during the week feed and nurture my soul and give me the strength to continue walking the path of love, which isn't always the easiest path. Your words of greeting and encouragement - or even something as simple as a smile - mean so much to me.

As we've heard from Bishop Loya and others, we are fortunate that we are able to financially support a building in which to worship together. And even though our faith community is so much more than a building, the reality of our world is that it takes financial resources to maintain our building and support the wonderful clergy and staff we have at St. David's.

If you've already turned in your pledge for 2026, thank you so much! If you haven't yet, I ask you to please take the time to prayerfully discern what you are able to give and return your pledge via mail, e-mail, or Realm by All Saints Sunday, November 2nd. Completing your pledge by then helps the leadership of St. David's financially plan for the year to come by knowing what revenue we can expect and plan our expenses accordingly.

I would also ask you to please give generously. Let's put the faith that we've heard about in our Gospel readings the past few weeks into action!

I am so grateful to be in such a meaningful faith community with all of you. I can't wait to see what is around the next bend of the path as we continue to walk in love together.

With gratitude and love,

- David Niles, Senior Warden
