

**NATIVE HEALTH Behavioral Health Division**  
**Methamphetamine and Suicide Prevention Initiative (MSPI)**

**The Facts:**

- American Indian/Alaska Natives (AI/AN) have the highest rates of suicide of any racial/ethnic group in the United States. The rates of suicide in this population have been increasing since 2003.
- More than one third (35.7%) of AI/AN suicides occurred among youths aged 10–24 years.
- The Methamphetamine and Suicide Prevention Initiative offers services for Native American and Alaskan Natives, 10 to 24 years old who are located in Maricopa County.
- Services include case management, counseling, prevention education and training, Youth Mental Health First Aid, NATIVE Stand, and Intensive Outpatient Program.

For more information please call  
(602) 279-5262 ext. 3206
