## AGENDA

**TECHNICAL COMMITTEE PLANNING MEETING**  
THE WESTIN FORT LAUDERDALE BEACH RESORT  
FORT LAUDERDALE, FL  
SATURDAY, MARCH 18, 2023  
1:00 PM – 4:00 PM ET  
MEETING ROOM: to be announced

### **NFPA**

Update on 1900

### **Buyers Guide Progress – Melissa Dobbs**

In-process work review

### **Apparatus Response Scenario Whitepaper**

Develop a description of how apparatus are operated on-scene as an aid to regulators.  
How can we get data on how apparatus are used on-scene.

- How long they stay on scene
- How long they pump on scene
- How long the aerial is operated on scene

### **New Graphical Symbols**

Chock the Wheels

EV Battery Thermal Event

### **CARB/EPA2024**

States that are following California – Review

### **TC005 Apparatus Improvements Update**

Document we publish after each NFPA revision. Determine schedule and action items to complete.

### **FAMA Forum schedule**

Potential article brainstorming.

### **Electric Vehicle Fire Suppression**

Do we come up with a common explanation of what to do if an electric fire truck has a thermal runaway event.

### **FDIC 2023 Presentation Topic Selection**

Brainstorm potential topics or speakers for our FDIC Technical Committee Meeting
