About Trinitas Regional Medical Center

Established in January, 2000, following the consolidation of St. Elizabeth Hospital and Elizabeth General Medical Center, Trinitas Regional Medical Center is a full-service healthcare facility serving those who live and work in central New Jersey. Operating on two major campuses, Trinitas has 554 beds, including a 120-bed long-term care center and a 98-bed Behavioral Health hospital. Annually, Trinitas heals nearly 18,000 inpatients and provides over 450,000 outpatient visits.

About Trinitas' Behavioral Health Facilities

Trinitas operates one of the most comprehensive departments of Behavioral Health & Psychiatry in New Jersey. Services are offered along a full continuum of care, with specialized services available for adults, children, adolescents and their families, as well as services for those with various substance use disorders. In addition to operating a 98-bed inpatient facility, the hospital provides almost 200,000 outpatient behavioral health visits annually.
