

EXCLUSIVE offer for members of the Greater Elizabeth Chamber of Commerce

Get noticed with an ad in the new Greater Elizabeth Community Profile

Dear Chamber Member:

The Greater Elizabeth Chamber of Commerce and chamber member, NovoPrint USA, Inc. will be collaborating on the new community guide publication for 2018-2019.

The 2018-2019 Community Guide will be updated to reflect our growth and showcase our beautiful, progressive community! We are on the leading edge of business, education, health care, transportation and economic development. This guide is a great tool to communicate information about your business to residents, other businesses and visitors to our community.

As an advertiser, your business will reach more than 5,000 individuals through a low-cost-per-view advertising and will be positioned as a community leader and a community supporter.

In addition to printed distribution, the guide will also be available in digital form and is hosted online by NovoPrint. It will also be showcased on the Chamber's website. The digital copy will give your business added views further extending the exposure of your advertising message.

Display ad sales will begin on January 8, 2018 . To find out more and to reserve your placement today contact Tim Arenz, our NovoPrint representative, at (630) 207-7899 or email him at tim.arenz@novoprint.com to schedule a quick demonstration at your place of business.
