

# Do You Need Immigration Assistance?

The International Rescue Committee (IRC) provides opportunities for refugees, asylees, victims of human trafficking, survivors of torture, and other immigrants to thrive in America. Each year, thousands of people, forced to flee violence and persecution, are welcomed by the people of the United States into the safety and freedom of America. These individuals have survived against incredible odds.

The IRC in New Jersey is committed to providing high quality, affordable immigration legal services to eligible individuals and families. The IRC as a network has been recognized by the Department of Justice since 1958 for the purpose of representing clients in immigration legal matters and has Board of Immigration Appeals (BIA) representatives on staff. The IRC in New Jersey's immigration services are provided by fully qualified IRC staff accredited by the U.S. Department of Justice's Board of Immigration Appeals and supervised by an attorney.

*The IRC is consistently awarded top marks by charity watchdog groups for our efficient use of donor contributions and the effectiveness of our work.*
