Spotlight on Tabor and Valhaven Family Council

Tabor/Valhaven strives to: Engage, create Experiences, and Empower....and leadership includes our Family and Friends Council in that goal.

For the last 3 years, our Family and Friends Council has been empowered to work collaboratively with our Rec Team for a Father's Day Car Show, and all of our voices work together to create an experience for our loved ones, their families, and staff.

We invited all of our members, as well as other Family Councils within our Fraser Region. Rob Shulz, chair of Menno Home Family Council and chair of FAFC, attended again this year! Thanks for coming out, Rob!

We only have a small parking lot, but our Family and Friends Council invited the Road Iron Car Club to come out and support our Family Council event....and they did! Thank you, Road Iron! The Rec Team put on an awesome hot dog BBQ, and the Family and Friends Council organized the participant involvement.

Maybe there are other FAFC Family Councils that have a small facility that would like to host a small car show? We have a model for you that works very well for us at Tabor/Valhaven. Get in touch with us...We would love to help out at your event!
