Spotlight: Lake Country Lodge Family Council, Lake Country, BC

After a period of inactivity, similarly experienced by many Councils during COVID, the Lake Country Lodge Family Council was re-established in March 2025 and quickly gathered momentum.

Lake Country Lodge Family Council is promoted as a space “where all voices matter in shaping a warm, caring environment where friendships flourish and every day feels like home”.

Hoping to raise awareness of their Family Council in the Lake Country Lodge community, and encourage new families to join, one of the Lake Country Lodge’s first organized events was to host a staff appreciation tea in August 2025 to thank the team members at Lake Country for the care and kindness they provide to Residents.

Family members worked together to create a relaxing experience for each team member who was welcomed in the Courtyard at Lake Country Lodge. Whether the team member had 5 minutes or 15 minutes to enjoy, families received gracious thanks from team members for the tea and small bites shared. The event was a huge success.

Other Family Council discussions underway include a new Family Council brochure, bus trips, a butterfly event, and fundraising.
