Spotlight on Tabor and Valhaven Family Council

To Our Awesome Nurses and Care Staff at Tabor and Valhaven,

With last week being staff appreciation week, we took the opportunity to go out and tell elementary school kids about how wonderfully you care for all of the Grandpas, Grandmas, Aunties, and Uncles. We told them stories of your kindness, and we gave many examples of how you care for our elders. They wanted to know if you let Grandmas choose what they want to wear, and if you help the elders with their candy canes (canes) when they can't find them. They also wondered if our elders had fun times and yummy food to eat. We are thankful to you that we could tell them about many times when you have done all of these things and so much more!

These are some pictures. They care deeply for their elders, and they were so happy to hear about your good work.

You are an inspiration and an example to all of our young people to look after each other.

Thank you for all of the ways that you care from the heart!

With Gratitude,

Family and Friends of Tabor/Valhaven
