Spotlight: AgeCare Carlton, Burnaby

On June 4th, the [AgeCare Carlton](#) staff team organized a “Meet and Greet” for family members in an informal “Family Gathering” that featured a welcome message from the staff team,

leadership team introductions, an open floor opportunity for family members to share thoughts, refreshments and a raffle. The gathering was attended by 13 family members and three of AgeCare Carlton’s residents. The opportunity to meet and greet was appreciated by all and there will be a second “Meet and Greet” scheduled for later in the summer. Thank you to the caring AgeCare Carlton team who work hard to help life be the best it can be for their residents in care and to the family members who are there to support not only their loved ones in care but the AgeCare team who work tirelessly to create a home where residents are honoured as individuals and where the best quality of life experience with the support of team members and families is paramount.
