CANS AND BOTTLES

Please only bring cans and bottles to church on SUNDAYS from here forward. We are using the CoH yellow trailer to store them until a replacement building is made.

Note: please be sure to remove bottle caps before donating. Thank you!

Each time we bring cans and bottles to the recycle center, we receive between \$600-\$1,000! We use this money to help fund youth group events, which helps to reduce our overall budget spending. We also support a Compassion Child through these funds.

Stay tuned for more information about sorting cans and bottles this summer!

MISSION TRIP

The mission trip prep class started Sunday, June 30 after the 10:00 am worship service and will continue through the mission trip, Sunday, August 4. This is preparation for those attending the mission trip. We will be learning some Spanish and talking about Mexican culture and the ministry organization that we are serving alongside: Foundation for His Ministry.

SUMMER HOUSEBOAT OPPORTUNITY

July 22-27

Through Community of Faith Church

High School Youth Houseboat Camp

Lake Shasta, California

Cost: \$500

Registration is now open for this exciting summer camp opportunity, open to all high school aged students! Community of Faith Church in West Linn has invited Community of Hope youth to join them. The group will drive down to Lake Shasta by van, and experience a great week on the water! For lots of information, photos, and videos visit Sonshine Ministries: <http://www.sonshineministries.com/>
