REALTORS® ASSOCIATION OF SOUTH CENTRAL WISCONSIN

RASCW Board of Directors
Time Commitment for Service

Because the position of director in our Association is not an empty, ceremonial position, but rather a working position, it is important that those who seek to serve have a fair idea of the kind of commitment they would be making. Term of office is three years. The time commitment involved ranges between 5-15 hours/month for directors, slightly more for officers, and significantly more for the President and President-elect. Directors are expected to:

1. Attend all regularly scheduled and special Board of Directors meetings
   Note: Monthly business meetings are usually held the fourth Thursday of the month in the morning.

2. Attend Annual Membership Meeting and Installation

3. Attend special meetings with government officials

4. Attend special sessions in professional standards and leadership

5. Support REALTOR®-sponsored special events

6. Serve as a Responsible Director to a Committee or Chapter
