

Family Directory

October 2018

This year's Mill Falls Directory is now available to families who opted into this useful and convenient resource for parents!

The Directory is available as a password-protected PDF, and has been sent via email to only those families whose information is included in the document.

Physical copies of the directory **will not** be sent home.

(Please note: you must be included in the directory to receive a copy.)

Please fill out the form below if:

1. You would like to add a second parent/guardian to your entry.
2. You would like to change or remove information from your entry.
3. You had opted out of the directory, but would like to be included.

Please review the directory and return this form with any changes. An updated version will be sent out periodically throughout the year.
