- Rides can be up to 45 minutes in length.
- Students should ride regularly to keep their place on the roster - at least once per week.
- **Manchester District considers Kindergarten students (year 2017/18) "exceptions" to the bus schedule. Any request for exception must be presented in writing to Mill Falls, which then will be sent to Manchester Transportation. Manchester Transportation will only accept requests after mid September (date to be determined). Seats are only offered if there is adequate space available, and if a bus stop is currently on the roster. Extra stops will not be added to accommodate kindergarteners.**
