PUPIL TRANSPORTATION RIDER AGREEMENT

Mill Falls Charter School and the Manchester School District, in conjunction with the district's pupil transportation providers (MTA), endeavor to promote a safe and pleasant bus-riding environment for passengers and drivers. In order for this to happen, the students must act in a responsible and well-behaved manner at all times. The driver must be able to expect that students will observe the proper riding behavior with minimum supervision in order to operate the bus on our streets and roads and deliver those students safely to their destinations.

Please take the time to review all parts of the transportation policy from the Manchester School District and then sign this form and return it to the Mill Falls Charter School office.

Please keep the Student Transportation Regulations for your records.

BUS RIDER & PARENT COMMITMENT

I have read and I understand the Pupil Transportation Regulations including the rules and disciplinary policy and agree to the best of my ability to abide by them.

Please be sure to return a form for EACH of your children who ride the bus.
