

Attention Mill Falls Families...
APRIL is CALENDAR RAFFLE PRIZE MONTH!

**Help us reach our goal of \$12,000
with this fun and rewarding fundraising project!**

NH Charter Schools are funded at less than 40% of traditional public schools. That's why *Mill Falls* parents come together each spring to creatively fundraise to help strengthen our kids' education by filling in some of our charter school's funding gap.

The Calendar Raffle offers those who buy them a chance to win many great prizes while bringing important funds to our public Montessori school.

Enclosed please find 10 calendars and a note card. We have spoken to the students about the Raffle and asked them to think of 10 people who might want to buy a calendar to support our school – friends, relatives, coaches, and neighbors. The kids are excited about this, and we hope you will be, too! We include the note card so you and the children can track the names of potential buyers.

There is power in numbers. We have 168 students, and if everyone were to sell 10 calendars, we would raise well over \$12,000!
