

CERAH SPEAKER SERIES

The Journey After a Dementia Diagnosis

June 24, 2026 | 12-1:00 p.m.

Carolyn Gibbons, Janice Atkinson, Sue Doughty Smith, Stephen Rutledge

North West Dementia Working Group (NWDWG) members, Care Partners

Caring for someone living with dementia is a journey filled with rapid changes, emotional complexity, and unique challenges. This short speaker series brings together lived experiences and practical guidance to help families prepare for what lies ahead. Learn valuable strategies for managing daily behaviors, navigating financial and long-term care systems, and using safety tools like AirTags and security systems. Through shared stories—both the difficult and the funny—discover local community resources, find comfort, and learn how to protect your own well-being as a care partner.
