

## Briana Devos

Springfield Endodontics' Office Manager

**Which aspect of the job are you excited about? Which are you worried about?**

I'm excited for my office to prosper and grow. I am an optimistic person so I don't have many worries.

**What has surprised you about the job in the first 1-30 days?**

I was pleasantly surprised with tremendous amount of support that is given by upper management. They truly are dedicated to helping us grow as individuals and team members!

**What are some highlights of the job so far?**

A great highlight has been the positive feedback from our providers regarding our acquisition.

**What motivates you to come to work?**

My doctors and staff are my biggest motivation!

**Tell me about the best day you've had so far. And the worst day.**

Everyday is a new adventure and although I cannot pick just one, I am so grateful for my amazing staff who work diligently everyday to be best!
