

# New Hampshire Young Inventors' Program 2019

Peterborough Elementary School is once again participating in the  
Young Inventors' Program!

This statewide program is open to all students  
K-4 interested in inventing!

## Information about the Young Inventors Program

- Students work on their inventions at home, with parental support.
- Students are expected to keep a journal (provided), a presentation on a tri-fold board (provided), and a model of their invention.
- Inventions will be judged during the **PES Invention Convention**, scheduled to be held on **Thursday, March 7, from 5:30 to 7:00 p.m.**
- Winners of the PES Invention Convention will go on to represent PES at the Statewide Invention Convention, being held **March 31, 2019** at Southern NH University.

If your child is interested in participating in the Young Inventors Program, please fill out the form below and return it to Ms. de Steuben no later than January 25. Once this form has been submitted, a packet of information will be sent home.

If you have any questions, contact Marcia de Steuben [924-3828, ext. 1636; mdesteuben@conval.edu]

*My child, \_\_\_\_\_, is interested in participating in the PES 2019 Invention Convention. I understand that my child will receive a packet with more information about inventing.*
