

Just in time for all of our professional and work related resolutions, [CNBC recently posted](#) a list of their top business related books for 2017.

The subject matter of the various titles range from the struggles of small towns to withstand corporate closures, our digital future, achieving personal peak performance, market efficiency and analysis, as well as many more topics!

Whether you are looking for inspiration, advice, strategies, a deeper understanding of certain topics, or just a good old-fashioned narrative; this list has something for everyone!

If you would like to place any of these books on hold, please contact the Half Hollow Hills Community Library!
