

# Business Book of the Year

The *Financial Times*, along with McKinsey & Company, bestow an annual business book of the year award. This is among the most prestigious of honors given to this category of book.

They recently released their [shortlist for 2018](#). Soon after [Bad Blood, by John Carreyou](#), was announced as being the winner.

By clicking on the above image, you will be directed to our online catalog, where you can place a hold on any of the titles. You can also call the library and we would be happy to place the hold for you. Varying in scope and topic, these six books offer a diversity of insightful narratives.

*Library Journal*, in reviewing *Capitalism in America* by Alan Greenspan, stated; “**Strongly recommended. This illuminating and in-depth history....is a valuable contribution to U.S. business history because it explains financial events and the culture of innovation from macroeconomic perspectives and offers remarkable insights into the current business climate.**” — *Library Journal*, starred review

**As always, please never hesitate to contact the Reference Department with ANY of your business (or other) related inquiries!**
