

# Support Businesses that Support the Earth

## earthstock

Wednesday, April 24, 2019

3 PM – 5 PM

The Half Hollow Hills Community Library will be celebrating **Earthstock!!** It will be a great opportunity for small business representatives to interact with an anticipated 200 attendees in terms of marketing their services.

Most importantly, it will be a wonderful event to learn about the “going green” movement as it applies to all of us. You will have an opportunity to learn more about “going green”, energy efficiency, and sustainability.

We all have a role to play in maintaining a healthy planet. It would be great to see some of our local businesses attend and support this wonderful event.

*As always, please never hesitate to contact the Reference Department with ANY of your business (or other) related inquiries!*
