

# CONGRESSIONAL BRIEFING

## AT THE NEXUS OF MENTAL HEALTH AND INJURY PREVENTION: RESEARCH, PARTNERSHIP, AND PRACTICE TO SAVE LIVES AND PREVENT SERIOUS INJURIES

You are invited to join the Injury Control Research Centers Briefing on the importance of mental health and injury prevention research.

At the briefing you will hear from teams working across the U.S. on programs that address **suicide prevention in the National Guard**, **mental health access in rural communities**, and **community-based overdose prevention**.

Refreshments will be provided

**Thursday**  
March 13

**Time**  
2.00 PM - 3.00 PM

SVC 202
