COVID-19 Tenant Protections & Local Ordinances (Tenants Together)
UNDERSTANDING LOCAL ORDINANCES

Some ordinances are actual moratoriums while others are just a defense if the landlord files an unlawful detainer.

Some require that the tenant affirmatively tell their landlord they are unable to pay the rent with proof of income showing that hours have been reduced or tenant has been laid off due to COVID-19 pandemic.

Some have deadlines to tell your landlord. Others do not.
